This meeting of the Beverly Waste Reduction Committee will be conducted by remote participation. No in-person attendance of members of the public will be available, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on the City's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.
