Zoom meeting for Council members called to order at 7:05 pm by Paul Trefry.

This Reconsideration Voting Meeting was called to take a vote on grant applicant Ken Harris' project "Primetime Prevention"

Co-Chair, explained criteria for meeting: Mr. Harris' appeal for reconsideration was approved by the MCC, and it is required for us to review his application again as if it were for the first time.

Opened the floor for discussion; after reviewing application and website of applicant council felt the project failed to meet the criteria for Arts, Culture, or Interpretive Sciences

Unanimous vote to uphold Denial decision for this project.

Meeting adjourned at 7:15pm.
