ⁱ There are two categories of applications as follows:

Applications requiring a Public Hearing (e.g. Definitive Subdivision Plan, Special Permit, Site Plan Review, OSRD Plan, 81R Waiver, etc.) are considered during the next regular meeting after submission, as shown in the column labeled "Meeting Date," for the sole purpose of scheduling the Public Hearing date/time/location. The Board may, or may not, schedule the public hearing for the immediately following meeting, depending on application completion, scheduling concerns, and length of agenda. *Example: An applicant submits a Special Permit application by the noon deadline on Monday, January 9, 2023. At the Wednesday, January 18, 2023 regular meeting, the Planning Board sets the public hearing date to hear the application for a future meeting within the required review period.*

Applications, Correspondence and other Business NOT Requiring a Public Hearing (e.g. SANR, Preliminary Subdivision Plan, Minor Site Plan Modification, Bond Reduction, Release of Lots, Time Extension, etc.) are considered during the next regular meeting shown in the column labeled "Meeting Date" as long as all required information has been submitted by the application deadline. *Example: An applicant submits a Modification application by the noon deadline on Monday, January 9, 2023. The Board discusses and acts upon, or continues if appropriate, the application on Wednesday, January 18, 2023.*
